

Joel Thompson, MD is an assistant professor of pediatrics in the section of pediatric hematology/oncology at the University of Oklahoma Health Sciences Center. He graduated from the Pennsylvania State University College of Medicine in 2010 and completed both his general pediatric residency and pediatric hematology/oncology fellowship at Nationwide Children's Hospital in Columbus, OH. He joined the faculty of OUHSC in 2016 and currently serves as the director of pediatric cancer survivorship and leads their survivorship clinic, called the "Taking On Life After Cancer," or TLC, clinic. Joel has been married to girl of his dreams for almost 12 years, and together they have four very active and precocious children.
