Board Members Not Present: Sarah Tyszko, Jennifer Putnam, Don Guthrie, Saura Douglas, Rachel Spencer

Others Present: Tyler Powell, Mathew Latham, Allison Garrison, Audrey Poole

Call to Order 8:36 PM

- Allison Garrison and Tyler Powell discuss the current standing for SB1322 this legislative session.
- SB1322 is the bill regarding PA's signing death certificates, but it also has language in it that clarifies the Sched II issue. OSMA has become aware of the language in this bill and would like to meet. Tyler met with house leaders to explain that the bill will clarify existing language and it is not a scope of practice change. SB1322 has passed the Senate and House Committees. We are waiting on a house vote, then it will go to the Governor.
- The OAPA Lobby team is requesting a grassroots effort with our members and PAs of Oklahoma. The lobby team will put together an email to be sent to all of our members. We will ask the members to contact their representatives at certain times during this session to help ensure the progression of our bill.
- Natasha Simonson will work on getting a text sent to the members.

Adjourn 9:15pm
