

With human connection comes understanding and better care; through the eyes of our patients, MedWise was created to provide an improved healthcare experience.

Why MedWise?

- MedWise prides itself on providing a flexible work schedule, and empowers the provider to maintain a healthy work/life balance.
- On-call physician support for all hours the clinic is open.
- Access to individualized and group educational resources and training.
- Development and professional growth opportunities.
- Growing company with 11 locations across Tulsa and the metro area and now expanding to Oklahoma City!
- MedWise is a new venture and was created by QuikTrip to provide healthcare workers and patients with an improved healthcare experience.
- We offer excellent benefits packages directly in line with QuikTrip that includes 401K.
