

DIAGNOSTIC  
LABORATORY  
OF OKLAHOMA

# Setting the standard for diagnostic testing in Oklahoma

## Oklahoma's premier clinical laboratory provider

DLO is an Oklahoma-based medical laboratory that provides laboratory testing and services to thousands of Oklahoma healthcare professionals and patients every day. As a joint venture of Quest Diagnostics and INTEGRIS Health, DLO has a comprehensive medical and scientific staff committed to delivering innovative, timely, and quality medical laboratory services. As the industry leader in Oklahoma since 2001, DLO wants to be your trusted lab partner.

### Oklahomans serving Oklahomans

DLO serves Oklahoma exclusively, and our **local support focuses on you and your patients.**

- Specimens are transported by **DLO-employed couriers** who are highly-trained to ensure specimen integrity
- All **specimens are tracked during transit** according to type, temperature, and department
- DLO has a team of more than 35 employees **providing 24/7 customer service** to support our clients and patients
- With more than 50 patient service centers and contracted draw sites, DLO offers the **best patient access** in the state
- We are **in-network with all major health plans** in Oklahoma
- DLO's patient portal, **MyQuest™**, provides access to test results, appointment scheduling, bill pay, and more
- **QuestDirect™** allows DLO patients to order their own lab tests from a select menu

## A strong player in an evolving market

- 44** Patient Service Centers throughout Oklahoma
- 12** Statewide laboratories with STAT capabilities
- 95** Vehicles in the DLO Logistics fleet
- >11M** Tests performed by DLO laboratories last year
- >750** Oklahomans employed at DLO
- >95%** Tests performed locally at a DLO laboratory
- \$1.8M** Annual donations to Oklahoma charities

For more information, call your DLO account executive or **800.891.2917, option 5**
