

Governance Committee Meeting – Feb. 19, 2026 – Zoom

Ballot Approval and Delegate Discussion

The committee approved a ballot for at-large directors, treasurer, and president-elect, excluding Christopher Taylor, with Jeanine and Keith providing seconds to Keith's motion. The discussion then shifted to the House of Delegates, which had some issues to address, with Zoom inviting committee members who had served on the House of Delegates to share their experiences.

House of Delegates Slate Approval

The board discussed and approved the slate for the House of Delegates, consisting of Christy Nehus, Sarah Parr, Larry Hyde, and Johnny Gilpin. They noted that Sarah Parr has extensive experience having served multiple terms, while Johnny Gilpin is a new candidate. The board also confirmed that Teresa Gavula, despite her long history with the organization, would not be eligible to run again due to term limits. The approved slate will now proceed to the board meeting on the 2nd for ballot approval, followed by a two-week candidate meeting period, and then elections from the 19th to the 2nd, with board orientation scheduled for April 25-26.
